MEMORANDUM FOR: The Executive Secretary, USIB
VIA: Deputy Director (Research)
SUBJECT: Memorandum to General Carroll
(D/DIA) for your Signature

25X1A

1. The attached memorandum from General Carroll requests that [REDACTED] be appointed Deputy Chairman of COMOR vice [REDACTED] reassigned.

25X1A

25X1A

2. The latter was appointed when the COMOR was established which was coincident with the disestablishment of an Air Force-sponsored interagency Committee on Satellite Requirements (CIRC) whose functions were absorbed by COMOR. [REDACTED] was subsequently transferred to DIA and retained his post as Deputy Chairman.

3. DCID 2/7 makes no mention of the post of Deputy Chairman and it would therefore appear that the designation of this function would be an internal COMOR action. However, the DIA has pressed for the assignment of a DIA officer as Deputy Chairman in other Committees of the Board apparently as a policy matter. I see no objection to the proposed assignment.

4. As a matter of possible interest to you and to set the record straight, I find the third paragraph of General Carroll's memorandum is irrelevant inasmuch as the participation of DIA in COMOR is the responsibility of the DIA member. Neither the Chairman nor the Deputy are voting members.

5. Recommendations:

a. That the Executive Secretary sign the attached reply on behalf of the Chairman to General Carroll.
